

## **Goodwin Brothers Keep it in the Family**

### ***Team Century/Raymarine Scores Victory in Second PTTS Event***

#### **Boca Grande Pass, Florida, May 28, 2006**

Team Century/Raymarine took home a victory in the second event of the Professional Tarpon Tournament Series (PTTS) Presented by Century Boats, as Capt. Jeff Hagaman and Capt. James Goodwin successfully caught and released a 160 lb. tarpon in Boca Grande Pass, Florida.

Goodwin won the non-sanctioned Ladies Day tournament last Saturday, while his brother, Bobby Goodwin, Captain of Team Miller High Life, won the first PTTS event last Sunday, making the Goodwin brothers three for three in the PTTS thus far.

Team Century/Raymarine hooked its fish with only five minutes remaining in the tournament, winning the team a Century 1902 Center Console powered by a Yamaha four-stroke F115 motor and a Continental aluminum trailer.

This is not the first time Hagaman and Goodwin have won in Boca Grande Pass. During the inaugural season of the PTTS in 2004, the duo won two PTTS events.

A total of 45 tarpon were hooked during the tournament, including 11 releases and 7 tarpon weighed-in for a total weight of 974 lbs. Team Famous Craft Boats finished in second place with Mike Bouchard with 158 lbs.; Team Fast Lane with Captain Marty Scott finished in third place with 151 lbs.; Team Tarpon Tamer with Captain Phil Haley finished in fourth place with 134 lbs., and Team Image Graphics 2000 with Captain Bobby Holcomb rounded out the top five with 126 lbs.

The remaining three PTTS qualifying events will be held June 4 and June 11. The Jim Beam Tarpon Cup Championship, consisting of the top 25 teams at the end of the season, will be held on June 18.
